

# Olusesi Saheed Gbolahan

UI/UX / Web Developer / I.T Support

I am self-taught Web developer with B.A in history and international Studies. I have always found coding intuitive and have pushed myself to learn the most effective ways to achieve a result. I design intuitive interfaces and enjoy solving problems and making lives easier through technology. I am fast learner and can quickly integrate into a team so I can provide value to the company and customer.
